Current Location: Hong Kong (Exchange Student) — Frankfurt, Germany
Open to opportunities in Hong Kong and Mainland China (Greater Bay Area)

Professional Summary

AI-focused engineering student currently studying at HKUST with interests in robotics, computer vision, and embedded AI systems. Experience developing machine learning applications using Python, PyTorch, and OpenCV. Seeking opportunities in robotics and intelligent systems in Hong Kong and Mainland China.

Technical Skills

Programming:	Python, Java, SQL, HTML/CSS
AI / Machine Learning:	PyTorch, OpenCV, Computer Vision fundamentals
Developer Tools:	Git, Linux command line, Jupyter
Hardware / Systems:	Raspberry Pi, 3D printing

Education

Hong Kong University of Science and Technology (HKUST)	Feb 2026 – Present
Exchange Scholar – School of Engineering	

Relevant Coursework: Deep Learning in Computer Vision, Embedded AI Systems, Machine Learning, Cloud Computing & Big Data Systems, Big Data Mining and Management

Technische Hochschule Mannheim	Sep 2023 – Present
B.Sc. Business Information Systems (UIB)	

Relevant Coursework: Programming, Software Engineering, Web-based Systems, Databases, Business Administration, Mathematics for Computer Science

Activities: Computer Science Student Council Member, Code of Conduct Officer

Gymnasium Riedberg, Frankfurt am Main	Sep 2014 – Jul 2023
General University Entrance Qualification (Abitur)	
Advanced Courses: Mathematics, Physics	

Professional Experience

KPMG – Software Engineering Intern	Aug 2025 – Jan 2026
---	---------------------

- Developed AI agents for document classification and data extraction for financial services teams
- Built internal tools supporting tax compliance workflows
- Collaborated with developers and consultants in an agile team environment

Schwarz IT KG – Consulting Project (EUDR Implementation)	Mar 2025 – Jul 2025
---	---------------------

- Contributed to implementation planning for EU Deforestation Regulation compliance
- Developed dashboard to track project compliance status

Certificates

BVH Certificate – Federal Association of Stock Exchange Associations at German Universities

Leadership & Activities

- **SV Niederursel 1919** – Player (Offensive Midfield), Youth Team Captain (2009–2023)
- **Stock Market Simulation Competition** – 3rd place in Business Information Systems program (Dec 2023)
- **Frankfurt Physical Society** – Supported organization of events (2019–2020)
- **Public Order Office Frankfurt** – Alcohol Test Buyer (2018–2020)

Languages

German – Native

English – C1 (Full professional proficiency)

Spanish – Intermediate (B1/B2)

Mandarin – Beginner (currently learning)

Italian – Basic

Interests

Soccer, basketball, volleyball, piano, technology, travel

Additional

Experience studying and living in Hong Kong with travel across Mainland China.
